As you all are aware that the entire world is passing through an unprecedented time and deeply concerned by the havoc created by COVID-19 virus. This COVID-19 epidemic has caused extreme changes to the lives of the people and the number of persons getting infected with coronavirus are increasing day by day In India which present a picture of despair and heart-rending experience. The Central Government, State Government and many social organisations are extending their wholehearted help to people of India in this period of crisis.

Nalanda Open University family should come forward in extending its help and cooperation for the cause of helping needy people in such hard times.

Accordingly, as a token of our support and assurance that we all stand firmly behind the citizens, in this period of crisis, an appeal is hereby made to the University community to come forward to help the people by donating their one day’s salary to the Chief Minister’s Bihar Relief Fund. The deduction shall be made from the salary bill of April 2020 by the Finance Officer and donated amount will be sent to the Chief Minister’s Bihar Relief Fund.

Those teaching and non-teaching employees who are not willing to contribute one day’s salary may send their unwillingness through email to the registrar@nou.ac.in or in writing to the Registrar latest by 17th April 2020 along with their details (Name, Designation, Department/Office) for further needful action, failing which it will be presumed that they agree for above contribution.
